

## **BIKE RIDING**

Bikes are provided at each retreat for your use. We recommend the wearing of the safety helmets supplied. Please ensure if you leave the bikes in the village they are chained up securely. Please feel free to take a map of the local area along on your ride - they are located towards the back of the 'Local Attractions' folder. Nice easy rides in the local area include:

- Ride into the village - Enjoy breakfast, lunch or just a cappuccino. Turn left at the bottom of our driveway, then left again out onto the main road - 2kms from Somewhere Unique.
- Ride to Wollombi Wines Vineyard - Turn left at the bottom of the driveway, then right out onto the main road. The entrance to Wollombi Wines is located a few hundred metres along on your left hand side - less than 2kms from Somewhere Unique.
- Ride to Undercliff Winery - Turn left at the bottom of our driveway, left again out onto the main road. When you reach the intersection where the Wollombi Tavern is turn right, then left at the first street and follow that road to Undercliff Winery - 3.5kms from Somewhere Unique.
- Ride to the Wollombi Village Vineyard - Turn left at the bottom of our driveway, left again out onto the main road. When you reach the intersection where the Wollombi Tavern is turn right, the winery is just on your right hand side - 2kms from Somewhere Unique.
- Riding further up Narone Creek Road - that is, turning right at the bottom of the driveway - is also nice quiet way to spend an afternoon.
